## List of Professional Development

A detailed list of all professional development that has been submitted for review, including format options (e.g., instructor led, webinar, etc.), and if applicable what professional development the provider would receive if this curriculum is chosen.

*Abrams Learning Trends* offers schools and districts a partnership for ongoing professional development and follow-up trainings in addition to implementation training. These optional trainings include tune-ups, best-practice workshops, train-the-trainer institutes, in-class modeling and coaching, and more.

These optional trainings are not included as part of the Core Curriculum Package, but they are available for separate purchase to meet the needs of schools and districts committed to continuous teacher growth and to implementing curriculum with a high degree of fidelity.

See the chart below and on the next page for the format and pricing of each Professional Development offering. In addition, please refer to the *Publisher's Professional Development Plan* included with this submission for more details.

Implementation Trainings		
Implementation Training (Online) Self-paced; Unlimited participants	On Demand	Free with purchase
Implementation Training (Webinar) 3-hour; Unlimited participants	Webinar	\$750.00 / event
Implementation Training (In Person) 6-hour; Maximum 50 participants	In-Person	\$3,950.00 / day
Implementation Training (In Person) 6-hour; Maximum 50 participants; Minimum purchase of 20 classroom sets	In-Person	Free with minimum

### A Note About In-Person Implementation Training

Personalized 1-day implementation training institutes will be offered for free to schools and districts that order 20 or more *DIG* Complete Sets.

Schools and districts that don't meet this minimum order size can choose to:

- Utilize the free on-demand training modules that are included with each classroom set.
- Arrange a 3-hour virtual implementation training webinar at a reduced fee.
- Collaborate with other schools or districts to host an in-person multi-customer training event (either as a cost share or by qualifying for free training by meeting the 20 set minimum).

In-person training days are limited to 6-hours and a maximum of 50 participants. Virtual training days are limited to 3-hours and are open to an unlimited number of participants.
