

CLASS[®]

Classroom Assessment Scoring System

 Effective July 1, 2018

What is CLASS?

CLASS is an observation based program assessment tool.

CLASS is **not** a child assessment tool.

CLASS **measures the quality of interactions** between teachers and children.

CLASS is recognized internationally for capturing elements within a classroom that **improve child outcomes**.

CLASS Observation & Scoring

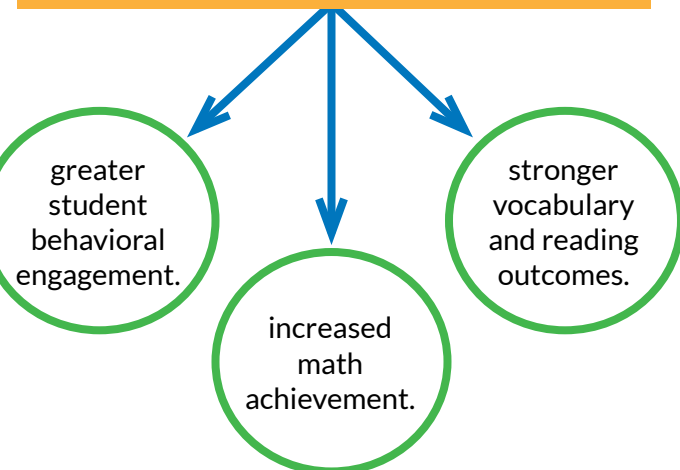

Trained and certified CLASS observers will assess School Readiness programs and assign a score.

The annual CLASS observations will be done at **no cost** to the provider.

Qualifying providers may receive a payment differential based on their CLASS scores.

Higher CLASS scores lead to

Prepare for CLASS

For more information about CLASS, participate in CLASS learning opportunities presented by the Office of Early Learning.

Consider attending Making the Most of Classroom Interactions (MMCI) training your local early learning coalition. MMCI training helps teachers identify, understand and apply stronger CLASS interactions in their classrooms.
