

## Childtime Empowered Child Curriculum Overview

### Curriculum Implementation Materials:

The *Empowered Child* curriculum is designed to integrate the culture of each individual classroom in which it is implemented. As a result, the list of implementation materials is small. The materials contain broad information, like the philosophy of the curriculum and detailed information, like how to lesson plan based on assessment and children's interest. Below is a list of the curriculum implementation materials a teacher needs:

#### **Curriculum Implementation Materials:**

- *Empowered Child* Curriculum Manual
- The Pre-K Focus on Literacy Kit
- The Pre-K Focus on Math Kit
- Aware, Care, & Share: Educator's Handbook to Observing & Communicating Learning
- Aware, Care, & Share: Educator's Handbook to Portfolios and Conferences
- Teacher's Guide to Journaling

### Professional Development Materials:

Teachers implementing the *Empowered Child* curriculum have various educational and experience backgrounds. In order to support each teacher in successfully implementing the curriculum, there are introductory training materials, ongoing professional development resources, and professional development resources for teachers that are ready to understand that connection between the curriculum and national accreditation standards. A list of the professional development materials are listed below:

#### **Professional Development Materials:**

- The *Empowered Child* New Employee Orientation
- The Learning Care System e-learning modules
