

Building on previous years' successful Early Learning Performance Funding Project, the Office of Early Learning is gearing up to launch Year Three.

Special opportunity for school readiness providers!

Over the last two years, hundreds of child care providers took part in a project to improve outcomes for children in the School Readiness Program. It was such a success that it is continuing this year.

You are invited to apply for the 2016-17 Early Learning Performance Funding Project.

Participating providers have an opportunity to engage in one or more quality activities related to professional early childhood practice.

- *Making the Most of Classroom Interactions*
- *Early Learning Florida professional development coursework*
- *Implementing assessment tools*
- *Technical assistance/coaching*
- *Professional development plans*

Providers selected receive payment for participation and growth during the length of the project.

Interested providers can apply **online** from **April 11-22, 2016.**
