

RENAISSANCE™

## VPK Progress Monitoring Pilot Star Early Literacy Training

\* Renaissance, in collaboration with the Office of Early Learning, is providing professional learning opportunities for educators participating in the Florida VPK Progress Monitoring Pilot through live virtual webinars. The webinars will be recorded and made available through the Office of Early Learning.

This implementation training will provide an overview of the Star Early Literacy assessment and review the purpose of universal screening. Participants will review test administration practices, how Star Early Literacy is scored as well as what the scores mean. Support and implementation resources will be provided throughout the training as well as information about next steps in the pilot.
