

FAMILY ENGAGEMENT MONTH 2020

PLEDGE

As a parent, guardian or caring adult, I pledge to support my child's education and healthy development to the best of my ability because **I am my child's first teacher**. I have high expectations for my child and want them to succeed in school and in life. I pledge to stay involved, serve as a positive role model and maintain open communication with my child's teachers to ensure education remains a top priority in my household. I understand that it is my responsibility to stay informed and involved in all parts of my child's education and well-being.

Education is the key to success, and I will do everything I can to promote my child's ability to learn.
