

FAMILY ENGAGEMENT MONTH 2020

PROVIDER TIPS FOR PROMOTING FAMILY ENGAGEMENT

During Family Engagement Month

- Post banners or signs celebrating families in your drop off/pick up area and lobby/office area.
- Create a bulletin board with pictures of your children's and staff's families. Post family activity tips and family friendly community events.
- Highlight family activities on social media posts. Use #EngagedFamiliesFL in your family engagement posts throughout November.
- Give families copies of the Family Engagement Month Calendar and post the calendar on your website and provider site.
- Host a family night or breakfast event using CDC guidelines to ensure health and safety.
- Give families flyers on child development, Vroom or other topics from our resources in the Child Care Resource and Referral Dropbox.
- Show videos in your office area from Vroom or Talk With Me Baby.
- Share OEL's Parents' Pages with families.

During Vroom Week

- Give parents Vroom materials. Ask your early learning coalition for materials or download them for free.
- Feature Vroom on social media posts using #VroomWeekFL. Highlight Vroom on your website and provider site.
- Have an Orange Day - wear orange, provide orange activities (painting with orange or making orange play dough) and have an orange snack (cheese crackers, oranges or tangerines, orange juice, carrots, etc.)
- Feature a Vroom Tip of the Day for each age level. Print the tip and give it to families.

Resources

- Visit our Child Care Resource and Referral Dropbox and join Vroom.org for helpful resources.
