

ONE GOAL ONE FLORIDA

Step up and save lives. By doing your part, you can protect your fellow Floridians.

One Goal One Florida is an important effort to protect our state. These easy steps make a difference.

- Protect those most vulnerable.
- Wash your hands.
- Follow social distancing.
- Wear a mask.

By following Florida's state guidelines, you can protect yourself and others from COVID-19. These steps work and we've got to keep it up!
