PROGRAM GUIDANCE

The following guidelines should be used by coalitions, subrecipients, providers, and families in Florida during the COVID-19 state of emergency as declared by the President of the United States and the Governor of Florida for the ARP Act Initiatives.

Provider Stabilization Subgrants – Round 1 (OCA: ASGR1)

Coalitions/RCMA will receive additional funding to support private early learning/child care providers that were licensed/registered/certified/regulated by or before March 11, 2021 or that are Child Care and Development Fund eligible at the time of application and are providing early learning/child care services on the date of application, to assist them in remaining open during the COVID-19 crisis. Refer to Attachment 4, *ARPA Provider Eligibility*, for additional information on non-eligible and eligible program type. Provider must have remained open and operational, except for temporary closures due to public health, financial hardship, or other reasons related to the COVID-19 public health emergency. **Providers may qualify for Provider Stabilization Subgrants – Round I, in addition to any grant awarded in Phases I – VI.**

Early learning/child care providers will receive base subgrants based on their enrollment at time of application, with a minimum of \$12,000 per provider. Base subgrants will be calculated depending on the age of enrollments as indicated below –

- **Infants and Toddlers:** \$867 per child
- **Children 2 – Kindergarten Entry:** \$702 per child
- **School-Age:** \$540 per child

Providers will receive an additional award of \$70.20 per School Readiness child enrolled at the time of application. In addition, providers will receive supplemental bonuses calculated as percentages of their base subgrant according to the rates in Table 1.

Table 1:

Bonus Category	Criteria	Bonus Percentage
Quality Services	Gold Seal or CLASS Score of 5.00 and higher in an area with a child care infrastructure deficit (desert)	10%
	CLASS Score of 4.00 – 4.99 – SR Contracted ONLY	5%
	CLASS Score of 5.00 and higher – SR Contracted ONLY	15%
	Gold Seal	20%
Non-Traditional Hours	Includes Nights and/or Weekend Care	5%
Workforce Investment	Provider agrees to use at least 25% of total grant amount on staff above and beyond normal payroll and benefits at time of application (bonuses, wage increases, health care, retirement, educational advancements, or tuition reimbursement)	10%

These funds shall be paid to providers as soon as practicable (i.e., within 30 business days). Only one Provider Stabilization Subgrant – Round I grant may be awarded for each provider location.

Evening or night care means child care provided during the evening hours and may encompass the hours of 6:00 p.m. to 7:00 a.m. to accommodate parents who work evenings and late-night shifts. Weekend care means child care provided anytime on Saturday or Sunday.
