

Florida's Assessment of Student Thinking (FAST) using Star Early Literacy
Running Instructions for Star Early Literacy Reports

The **Star Test Activity Report** shows students who have and have not tested during a specific date range.

Link to running instructions: <https://help2.renaissance.com/reports/25041>

The **Star Summary Report** summarizes student test results for a specific date range, including students tested and not tested.

Link to running instructions: <https://help2.renaissance.com/reports/25040>

The **Star Screening Report** graphs students' placement above and below benchmarks based on Star scores. It is used to identify students who are having difficulty reaching benchmarks. Once those students have been identified, you can begin to organize your intervention plan. Students who are not reaching a specific benchmark can be further divided into groups to help you focus your resources on the students who need the most help.
