

**Florida's Assessment of Student Thinking (FAST) using Star Early Literacy
Zoom Webinars for VPK Program Directors Training Schedule**

Attendees: Public and Private VPK Program Directors

Training Outcomes:

- Overview of the Renaissance System
- Understand what Star Early Literacy is, how a computer-adaptive test works and its purpose
- Star Early Literacy Test Administration Procedures and Requirements
- Understand how to support Teachers with Star Early Literacy Administration Procedures and Requirements
- Understand how to access reports and understanding data
- **Before** the VPK Program Year begins Administrators will need to:
 - Set Screening Windows in accordance with FAST Star Early Literacy Administration Schedule
 - Set Testing Schedule at the Program/School level
 - Set Student Accommodation preferences (only for students with an IEP or 504 Plan)
 - Distributing Teacher or Test Administrator usernames and passwords
 - Provide the Monitor Password to Test Administrators
- **During** Screening Windows PM1, PM2 and PM3:
 - Mark Non-Participation Status
 - Understand how to use the Star Test Activity Report to monitor progress of testing
- **After** Screening Windows PM1, PM2 and PM3:
 - Developing a data culture (talking with teachers and families about data)
 - Provide a copy of the Star Parent Report to families within 7 days of Test Administration as required as part of the FAST using Star Early Literacy
- Additional resources can be found on the Division of Early Learning's dedicated website for FAST using Star Early Literacy, <http://www.floridaearlylearning.com/vpk/fast>.

Training Attendance and Completion Verification: Registered attendees attendance record is automatically collected through the Zoom software. Attendees must individually join for attendance information to be collected. This information will be sent to the Division of Early Learning to approve attendees have completed the required training and will provide attendee information to each coalition as verification. We are working to get this information to coalitions as quickly as we can.
