

## VPK Logotype Usage and Brand Guidelines

The property of the state of Florida, the Florida VPK logotype (logo) is used to identify the state’s Voluntary Prekindergarten (VPK) Education Program. Logos may only be reproduced from approved artwork and may not be recreated by any other means, in any other form or altered in any way, including the use of unapproved tag lines, abbreviations or translations.

### Do’s

1. Use *first-generation* logo artwork.
2. Contact the Department of Education, Division of Early Learning or your early learning coalition for logo artwork.

### Don’ts

1. Do not combine the VPK name and logo with another graphic, logo or symbol.

2. Do not alter the logo.
3. Do not use the logo as part of a headline or title.  
– Example: Enroll in our Florida  program!
4. Do not modify or redraw the logo.
5. Do not change the logo’s proportions.
6. Do not change the size of the logo by using the sides (squares) of the logo. Only change the size by using the corner “circles.” (Holding down the shift and alt keys while dragging a corner in Word and PowerPoint will keep the logo proportions correct.)

7. Do not create an outline.
8. Do not use the logo over a distracting image or pattern.

### Logo

The word “Florida” in *Open Sans Light* font and the graphic image—underlined VPK icon—comprise the logo. There are a horizontal and a stacked version of the logo. Either is acceptable.
